11. In the course of my employment as Associate Litigation Counsel, I have become aware of the filing of this action on behalf of Keisha Garner. In fact, prior to the filing of this Complaint, I received the autopsy report of the Spartanburg Regional Medical Center (Exhibit No. 1 attached) and the Death Certificate issued by the State of South Carolina (Exhibit No. 2 attached).

12. Based upon these documents, the following facts are clear:

- (a) Linda Thackston Burrell died on April 16, 2006, in Duncan, South Carolina (Exhibit No. 2);
- (b) At the time of her death, Ms. Burrell lived at 118 Heath Hill Road, Duncan, South Carolina (Exhibit No. 2).

13. The Complaint identifies the daughter of Ms. Burrell, Keisha Garner, as a resident of the State of South Carolina [*see* Exhibit No. 1 of the Plaintiff's Complaint].

14. Further, the information received at and prior to the commencement of this action suggests that there are a number of other South Carolina-based witnesses including:
